Tub Toys

Rihanna

It's been a long day for Rihanna. She needs to kick back and relax in her Italian marble tub. "I love this bathtub," Rihanna says. "The marble is imported all the way from Catanzaro. The grout is made from powdered sea shells from the shores of Napoli." Wait, Rihanna shouldn't you take off your underwear before you get in the tub? "You'd like that wouldn't you? You want to see my juicy pussy and my asshole? You don't care about this beautiful tile work. You have no respect for the masons who labored over these stones so that I might have the perfect tub!" Rihanna is all fired up, but manages to wriggle out of her soggy lingerie. "You want ass! You want pussy! Well, here it is! Go head, look at it! Stick you nose up there! Maybe then you'll be able to appreciate the artistry of your surroundings!" Rihanna, you're a fucking nutjob...but this *is* a pretty nice bathroom. Still, we'd better inspect your plumbing to make sure it's up to code...

FIRST-TIME FILTH

Monica Mayhem's Directorial Debut Is A Buttload Of Work For Newbie Anal Star Danica!

By Jason Danilak

Monica Mayhem has starred in more than 400 XXX movies but today producers were asking her to do something she'd never done before—direct a porn scene. As one of the stars of Real Productions new reality series "Tight", the Australian was being asked to do a lot of things she'd never done before, including front an all-girl porn star rock band and live in a house with three up-n-cumming porn starlets whose dislike of the veteran porn actress was palpable.

For this scene Monica would be directing another rising young porn starlet, Danica Dillon. Ironically, Danica had been one of the singers considered for the project, a role that ultimately went to Monica.

"What do you need me to do?" Danica asked the novice director.

"They don't tell me much," Monica replied. "I just know it's an anal scene.

Are you cool with that?"

Danica nodded, nervously. "I've only just started doing anal so hopefully he's not too big."

As if on cue a young man poked his head inside the studio door. Dan had just moved to L.A. to pursue his dream of becoming a porn stud. Surveying the two women, he wasn't sure who was the director and who was his co-star. He couldn't lose either way.

"Have you ever done anal before?" Monica asked the young man.

"In my personal life, sure. On camera? Not so much."

After overseeing Danica's costume choices, Monica was ready to make her directorial debut. She was handed a small DV camera—the type many readers may own themselves—and quickly instructed on its use. There were two TV cameras behind her as well as an audio crew and lighting.

When the TV cameras got up to speed the series director called "Action" and then prompted Monica to do the same. "Uh…action!" she repeated.

Danica and Dan entered the room, already kissing and petting. They fell onto the bed and Dan quickly undressed his hot co-star, exposing a tight body and pert tits. Danica wasted no time getting Dan's pants off and soon saw a problem, "Shit, he's huge!"

Dan's cock was at least nine inches long and thick. Monica asked Danica, "Can you do it?"

"I…I think so. I've never had anything that big in my ass before. But I'll try."

Monica, who doesn't do anal herself, felt sorry for the newcummer. "Use lots of lube," she suggested.

The scene resumed and Danica expertly sucked Dan's cock. If she wanted a small cock in her ass she wasn't doing herself any favors. It seemed the more she sucked the bigger he got.

"That looks great," Monica encouraged, holding the camera surprisingly steady. Real Productions' previous series, Playboy TV's "The Boy Nexxt Door", had featured a pizza delivery boy turned director who never got the hang of holding a camera. Monica was already surpassing expectations.

While Danica gave Dan head, her fingers were busy preparing her ass for the assault to come. She slowly worked one finger and then two inside her tight hole. She had a long way to go; Dan's cock was as big around as her wrist.

Danica looked like she could give head all day, but soon Monica was ready for them to fuck. After working for so many directors herself, the Aussie star seemed to relish her new role. It was nice to be in charge for a change.

"Missionary first," Monica told her charges. "Then cowgirl. Reverse. Save doggie for last since it's the easiest to go into anal." Danica looked dubious; there wasn't going to be anything easy about it.

Dan was eager to do anything he was told and spread his co-star's legs as wide as they would go. He spat on her pussy to make it nice and wet and then gently inserted his cock. Danica moaned; if his cock was this tight in her pussy, what would it feel like in her ass?

Danica gave an amazing performance, her pretty face

contorted in a mask of ecstasy. The large studio was filled with the sound of her moans, screams and cries of encouragement. "That's it, baby, fuck me with that big cock!"

Monica put them through their positions; cowgirl followed missionary, reverse cowgirl followed cowgirl and doggie followed reverse cowgirl. Finally it was time for anal.

Danica had stretched her ass as much as her fingers would allow, but nothing could prepare her for Dan's big cock. As gentle as he tried to be, it was obviously a tight fit. Danica bit down on the pillow. "Fuck, fuck, fuck!"

Dan slowly worked more of his cock inside her. Danica did her best to take him all in. It wasn't easy but eventually, with a lot of lube and wincing, she managed the whole thing.

"Great job," Monica said.

Dan's thrusts got harder and more urgent and Danica screamed with each plunge. Monica was impressed with the girl's effort. Soon she was taking Dan's entire cock and crying for more.

"Another position," Monica said. "Can you take him in your ass missionary style?"

"I don't know. Maybe sideways would be easier?"

"Do it."

Danica turned onto her side while Dan moved into position beside her. Lifting her leg up he shoved his cock inside her gaping ass. "That's better," Danica moaned. Soon they were fucking as hard as they could and Danica rubbed her clit with one hand, pinching her nipple with the other. "That feels fantastic," she cried.

It was feeling fantastic for Dan too. "I can cum any time," he told Monica. From countless scenes of her own Monica knew this really meant: I need to cum now. "Alright, go straight from there and pop in her mouth."

"Just not in my eyes," Danica warned the newcummer. "Or I'll hurt you."

Promising he had excellent aim, Dan pumped a few more times and then pulled out. He hastily positioned himself beside her face and, promises aside, proceeded to cum in her eye. Danica repositioned herself so the next load went straight in her mouth. And the next. And the next. Monica was impressed by her young stud's ability to cum.

Zooming in tight on Danica's cum-drenched face as a hundred directors had zoomed in on her own, Monica cried "Cut!" and her directorial debut was complete. "Great scene, guys," she told them. "Thanks for making my first time so much fun!"

While the young actors cleaned up, Monica made a dash for the door. Her band, Tight, was performing that night and needed its lead singer.

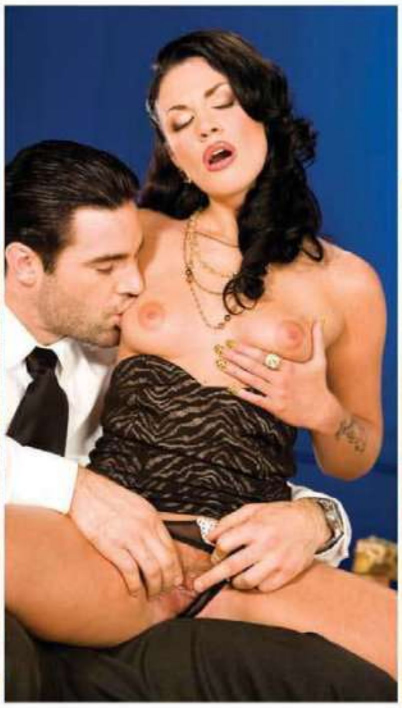
Andy

Lap Of Luxury

Andy



Know what porn star Andy San Dimas is having for lunch? A heaping slab of Charles Dera's man-beef. Andy's got quite an appetite—can Charles fill her up? She makes a meal of him, nibbling his edges and tugging at his hard stem. She wraps her fingers around Charles' cock, tacky, polka-dot manicure glistening, and starts to pump. "I'm starving, Chuck," she whispers. "Will you give me what I need, what I want? Will you fill me with your hot seed? Will you let me taste it?" Charles has no problem giving Andy what she wants—in fact, he has a hard time holding back as she shoves his throbbing dick into her hungry mouth. Andy pigs out on Charles' pork sword until it blows up in her face, dripping from her chin and fingers. Nice work, Andy! If only Charles' toxic splooge could remove that ridiculous manicure...

Rebeca

Nude & Improved

Rebeca

Something about Rebeca Linares looks different, but we can't quite put our finger on it. Has her hairstyle changed? Is she using a different shade of nail polish? Is that lingerie new? Her gorgeous smile is the same, as is the smoldering look in her eyes. That perfect, blowjob-ready mouth looks the same. Those long, sexy legs and tight, round ass look unchanged, too. So what is it? Ah, it must be the lollipop she's sucking on like was the last dick on Earth. Look at her deep throat that thing, like it's full of the hot jizz she needs to eat in order to survive. Damn, she's got some sweet lips! But now that we think about it, it's not the lollipop that's new, either. It's something else. No, we still can't put our finger on it. But maybe if we put our boners between Rebeca's bloated titties and pump her inflated funbags until we blast her face with man-seed it will come to us...

Morgan & Courtney

Siamese Sluts

Morgan & Courtney

Kinky coeds Morgan and Courtney are supposed to be in class, but, as these photos reveal, they don't have any. "Hey, I resent that!" Courtney says. "Just because we're into toys, strap-ons and fetish gear, doesn't mean we're classless. We're polite and well mannered, even if we do like dirty butt sex. Just because we enjoy lesbo sex doesn't make us dykes. Just because we *act* like sluts doesn't mean we *are* sluts, you know?" Sure, Courtney. Just because we walk around playing with our balls all day doesn't mean we're perverts. Just because we squeeze some girl's ass in the street doesn't make us molesters. We're more worried about your education. What would your professor say if he knew you were skipping class to fuck each other? "We'll let you know," Morgan says. "He's coming over Thursday night." Awesome...what time should we be there?

SPERM OVERLOAD 3

Bust Out Your Waders— A Flood Is Cumming!

by Rob Perez

Mike John cherry picks from his vault of classic, cum-spewing titles to compile this seven-hour sexual feast of pure, raw, hardcore debauchery. MJ picks some winners here—there's nothing we love more than watching a hot slut get fucked hard and covered in thick, creamy splooge!

Bobbi Starr & Dana DeArmond (from *Bobbi Starr & Dana DeArmond's Insatiable Voyage*) are featured in their epic, dual gang bang performance. Dana and Bobbi get fucked from »

every possible angle. Both of them get on all fours for repeated doggy-style humps, while demonstrating their awesome cock sucking abilities. The girls stay close together so they're mostly in the same shot while getting fucked and helping each another. The anal and DP action is fantastic. Both girls have amazing bodies, great legs, hot asses and pretty faces. They suck and fuck the cum out of nearly 20 guys, swapping the loads back and forth. Before the scene ends, the girls collect cum in a bowl. Bobbi dumps the bowl into Dana's mouth; Dana spits it back at Bobbi. Disgusting, filthy and raw—we love it!

Tensions are always on the rise in Mike John's *Racial Tensions 2*, where we find Keeani Lei, a sweet geisha streetwalker, getting picked up by Steve Holmes and Tim Von Swine. After getting paid for her services, Keeani goes right to work on Steve's meat pipe in the backseat, getting it wet enough for Steve to fuck her ass. That ass gets plenty of work when they arrive home. A gang of uninvited guests arrive and start working over Keeani's holes. The DP action begins immediately while Keeani screams about how much they're pushing her limits. Still, for a girl with a tight ass, she managed to easily take each cock up her bum. Of course, the dudes all unload on her face and before she leaves, Keeani asks the guys to call her. We wouldn't. Once we've dumped the trash, we leave it outside for easy pickup.

The "cream" of the crop of Mike John's various ode to cum titles is the *No Cum Dodging Allowed (NCDA)* series which features top tier girls mixing it up in a variety of blowbang and gangbang scenarios. Sultry Latina slut Rebeca Linares from *NCDA 8* deftly handles all the cocks in her mouth, hands and holes. She sucks them off and beats their meat while the guys pass her around like hobos passing a cheap whiskey bottle around a street-corner fire. Her tight and toned body easily takes on all cocks in her ass, mouth and pussy, milking a multitude of man-loads onto her pretty face.

As much as we love Rebeca, hands down the best scene belongs to the legendary Tiffany Mynx, a seasoned whore from *NCDA 10*. Her body is killer, perfectly built for fucking! She sets

the standard for the rest of the girls in this compilation DVD. This scene opens with Tiffany already in mid-blowjob—some faceless dude who busts a nut in Tiffany's mouth. Her warmup over, Mr. Pete and James Deen come over to manhandle Tiffany, fucking her mouth, pussy and ass, plus DP'ing her holes, causing Tiffany to scream out, "I'm filled with cock!" Indeed, she is…and she seems to like it!

Rayveness from *NCDA 4* is another old school slut here to blow-bang a bunch of lucky mopes, going down on them before swallowing all they have to offer. Rayveness shows the young guys how a professional blowjob should be conducted and, after squeezing every last drop from them, takes a brandy snifter full of cum and guzzles it down. It's good to the last drop. Make it a double, Rayveness…or even an entire case!

Among the best in the gangbang department is German whore Annette Schwartz from *NCDA 7*. Annette appears in the sluttiest red outfit we've ever seen, but it doesn't stay on too long once the guys show up. Ms. Schwartz has a wonderful bottom, which she proudly displays. The guys can't keep their hands off of it or their dicks out of it, practically ignoring Annette's dripping pussy except when it's DP time. As usual, the guys bust directly into her mouth while Annette remains on her knees like a good little fuck toy, swallowing every drop the guys can squeeze from their cocks.

Mike John's *Sperm Overload 3* is the definitive cum orgy compilation title of the year. If you're looking for your own, personal sperm overload, don't miss this one!

2010 Tart Of The Year

TORI BLACK

Interview by Jeff Kydd

Photos courtesy of
www.ToriBlack.com

Voting for this year's Tart Of The Year Contest was heated, but, as with most competitions she enters, Tori Black emerged victorious. Ready to get up close and intimate with Tori? Read on…

Most college girls looking for a summer job usually end up as a barista at Starbucks or a waitress or some other mind-numbing, soul-destroying temporary job. Not Tori Black. She became a porn slut who turned into an A-list star, much to her disbelief.

But if Tori is surprised, no one else is. With her slender high fashion model figure and face, legs that start around her armpits, and an insatiable sexual appetite without boundaries, there was no doubt she'd make it to the top. She underscored that status by winning just about every adult industry award in 2009 and 2010, like the five awards she gathered at the 2010 AVN Awards in Vegas, including Female Performer of the Year.

She was born on August 26, 1988, in Kingston, Washington, and grew up in nearby Seattle. A self-admitted rebel, she broke a high school record for missed days. After graduation, she moved to LA in 2007 after a brief taste of the biz in Florida and decided porn was where she belonged. She was in demand immediately, and began her ascent from complete novice to the sleazy heights in record time.

We caught up with her during some rare down time between shoots and got her to tell us about her life, her sexual preferences, and how it feels having Lexington Steele's cock shoved all the way up her ass.

You swept the awards last year and in a very short time have gone from just another performer to the top of the pile. Were you surprised by that?

It wasn't something I expected at all. I didn't think I was even going to stay in this business. I thought I was just going to do it for the summer and go back to school. It was flattering and an honor to be recognized the way I was. It continues to shock me when new girls come up to me and say, "Oh my God, I know who you are. You're the reason I got in the business. I'm such a big fan." I'm like, that's really cute. It's sweet.

»

Were you always interested in the industry or was it something you stumbled on?

I always watched porn, but getting involved in it was kind of a random, very quick decision. About a week from when I started considering it to when I actually started doing it. I was in college and I had gotten home for the summer and I was looking for a summer job that I could make enough money to live on my own. I was looking for something that paid a lot. I stumbled on an ad on Craigslist, and I was like, huh, I wonder if that could be fun. I know I love to fuck and I like porn, so maybe that'll work out. They were an agency in Florida and they offered to pay for a plane ticket down. I didn't have any money to fly down to LA. I didn't even know there was a difference between shooting in LA or Florida. I jumped on the money ticket. I was like, if you can pay for it, ok, perfect. Yeah, that's where I'm going. I sent in my pictures and they wanted me and there I went. That's how I ended up in Florida.

What was your first shoot and what was your reaction to it?

My first shoot was for *Filthy First Taste*. I believe it was volume 8 (*Editor's note: It was*). My first reaction was nothing at all. Nothing surprising. It was fun, but it wasn't, oh my God, I'm nervous. The guy was nice. His name was JT. The director was Bill Fisher. Yeah, it was a great day and a great shoot. I was like, I like this. This isn't weird at all. I think I found the right career choice for me because I was never uncomfortable in front of a camera.

How long did you stay in Florida?

Only a month.

When you came back to Seattle, did you say forget school, I'm going to go down to LA.?

Yes. I talked to Juan Cuba, who was in Florida shooting me, and he said I could do really well in LA if I decided to come out, so I came down here. I thought I was only going to stay in LA for a month, but once I got here and started enjoying myself, I thought, uh-uh, I'm not going back. This is the life for me.

You didn't follow the traditional path of stripping, then glam, then girl/girl. Do you have any desire to work in a strip club?

No, the featuring I do now is very, very different. I much prefer featuring. I wouldn't want to be a house dancer, walking around, asking people if they wanted a lapdance and having them turn me down. That would be devastating for me. Now it's more like a performance and I get to meet fans and if they want a dance, they ask me. It's a bit more comfortable. It doesn't feel as much like I'm begging for money. It feels a lot better. I never really wanted to be a stripper, but I've always been a dancer so being on stage never phased me at all.

2010 Tart Of The Year

TORI BLACK

“I do love anal. It’s a physical sensation that’s absolutely amazing as well as it’s dirty.

What were you like as a kid?

I was a hell raiser during my last year of high school. Completely. I was a party girl. I had a lot of sex. I was the girl that made all my girlfriends go lesbian for me. I was a bad student. I would get As on all my tests, but I never did my homework because I thought it was pointless. I broke a school record for missed classes. I guess my principal didn't really like me very much. I played a lot of sports so I was a bit of a jock too, but I was everything. I was party girl, I was social butterfly, I was a rebel. The only thing I wasn't was a prude. (*Laughs*) I was definitely not a prude. My sister was so opposite. We were so opposite, people didn't even know we were sisters. They're like, "That's your sister?" Yep, we came out of the same womb.

When did you start watching porn and where did you find it?

I would go anywhere. I would download the free stuff. I would go anywhere I could to find porn. And I watched everything, but mainly I watched stuff I didn't do. I watched anal because I never did anal. I would watch a little girl/girl, but I was having sex with so many girls at the time that anal and rougher stuff was a little more interesting. So that was more what I watched.

Was your first sexual experience with a guy or girl?

A girl. It was kind of like a random thing. It was at a party with my girlfriends. We played Truth or Dare and Spin the Bottle and ended up having sex. Some girls were more into it than others, but they were definitely involved. There was a big group of us.

When did you first realize you had an attraction to girls?

I don't remember a time when I wasn't bisexual. People have always been attractive to me. Everybody. It was never a moment of realization. And I never really knew I was different either. I kind of thought everybody was like me.

Was the first time you had sex with a girl as good as you thought it would be?

Yes, yes, that was amazing. I don't think it's the same for girls, because we don't have to be hard. There are things girls don't have to worry about when they're with other girls.

How often would you say you masturbate?

Three, four times a day.

Even when you're working?
If I have less time, maybe it drops down to one or two. Never less than one. At least once a day.

Do you use toys, fingers?
Usually I use my Hitachi because it's quickest. I'm like, Hitachi, buzz, ok, I'm good to go. If I use it too much in one day, I can't cum. But I love it. I wouldn't stop for the world.

What about threeways? Do you do them?
Yeah, I like them, but sometimes I get distracted. I like just one-on-one because there's only one thing to focus on. When I have threesomes, there's so much going on and I'm a pleaser and I want to make sure everyone is happy and cumming like they should, I get a little distracted. It might be fun, but I won't cum as much.

What about extreme stuff like blowbangs, bukkakes, gangbangs?
I've never done anything like that in my life. Maybe one day. I'll never say never, but not right now.

I know you do anal. Do you like it?
I love it. It's something I do once in a while, but when I do, I love it. It comes and goes. There are times when I want it all the time and others when I don't want it at all. But I do love anal. It's a physical sensation that's absolutely amazing as well as it's dirty and it's different and it's "taboo." I definitely enjoy it.

What's the biggest thing you've ever put in your ass?
Probably Lexington Steele's cock.

How did it feel?
It felt big. Very big. It felt good once it got in there, but going in, it was like La Maze class

You do a lot of interracial. Do you like it?
Yeah, I like different. I think all people are equal, so skin color doesn't really matter to me. I like it because everybody smells a little different. When you do a lot of interracial, you notice that everybody has a very different scent. White people versus Latino versus Asian people or African-American people. Everybody has a different smell. I'm not talking body odor smell. I'm just talking general, their skin.

I have to ask the obvious question. Do you like well-hung black guys compared to average white guys?
No. It's just different.

What's the most extreme thing you've ever done?
I'm not really sure what you consider extreme. Sometimes I could be having regular vaginal sex and it feels far more extreme than a DP. Sometimes it's just a feeling that's extreme.

Speaking of double penetrations, do you do them?
You know, I just did one and I definitely enjoyed it. There's definitely time in the future to explore it more.

Have you ever had sex in public?
Oh, yeah, plenty of times. Theaters, restaurants, parking lots with people watching. Yeah, I'm an exhibitionist. So feeling that I'm being watched or could get caught, I love it. That's why I got into porn.

What's your favorite sex position?

I really don't have a favorite position. It depends on the cock shape and how it's hitting me and how he and I fit together. The sexual chemistry is very, very important. You can't expect to have emotional and sexual compatibility when you're having sex with so many different people on camera.

Are your boobs natural?

Yes.

Do you always wear a bra?

No, I never wear a bra. And I rarely wear panties. It's just extra laundry for me.

2010 Tart Of The Year

TORI BLACK

Do you have any plans for implants?

No, I don't like plastic surgery.

You have a tattoo. It looks like a Celtic something.

It is. It's a Celtic symbol. It's a five-pointed pentacle and it symbolizes the elements and female strength in nature. The five points are the five elements. The ring is the original symbol for infinity. They're locked together to symbolize strength and the infinite. The infinite universe, Mother Nature and female strength. I'm a very powerful female entity and I like to remind myself of what grounds me. You're only powerful if you allow yourself to be and you find what keeps you strong and motivated and grounded. I need to remember how to utilize my talents and the blessings I've been given as a woman.

What do you consider your best asset?

My personality. I think that anybody can have a body, especially nowadays with plastic surgery. If you want to spend hours upon hours in the gym, you're probably going to look pretty good. Not everybody can have a personality.

Do you have a fantasy you have lived out or haven't?

No, I kind of fall into fantasies. Like something will happen. I'll be like, that's amazing, I'll dream about it now, masturbate to it, but I don't really necessarily have much time to fantasize because I'm always having sex. I think fantasy comes out of not being satisfied, but I'm constantly being satisfied.

Alysa & Dana

What's Up Your Ass?

Alysa & Dana

Alysa and Dana are true freaks: sex parties, orgies, bukkake, blow-bangs, gang-bangs. You name it, Alysa and Dana have done it (and probably liked it). Now they're into anal. But standard "let's-start-with-a-pinkie" doesn't cut it for these girls. They need bigger and better... and bigger still. Alysa busts out a dildo the size of a traffic cone and Dana smiles. "Park that around back!" she says, getting up on all fours. Their big-dicked lover valiantly valet-parks his cock in their hot holes but can't compete with the girls' oversize toy chest. Hang in there, dude! Until they invent a sex toy that can pump a salty load and buy dinner, Alysa and Dana will still need you!

Lizzie

Cheat Sheets

This isn't Lizzie's bed. It isn't her boyfriend Drake's bed either. It's Drake's *sister's* bed. Lizzie's been sleeping with Drake's sister for months and Drake doesn't know a thing. "He's so uptight sexually, he'd dump me for sure if he knew," Lizzie explains. "But his sister kept teasing me, calling me 'Lizzie The Lezzie'. Finally, just to shut her up, I ate her pussy and she came all over my face. That was six months ago. We've been together ever since." Sounds like a nice, discreet "surf-n-turf" situation, Liz; you've got Drake's sister for lesbo lovin' and Drake when you crave beef. "Drake's a dud in the sack," Lizzie explains. "If I want dick, I fuck Drake's foreman at work." Resourceful girl, Lizzie! Let us know if Drake's boss is ever too busy...

KEY			
	POWER OUTAGE completely limp and flaccid	⚡ a little tingle, that's about it	⚡⚡ semi-erect
	⚡⚡⚡ not bad, boner-inspiring	⚡⚡⚡⚡ above average, hard and throbbing	⚡⚡⚡⚡⚡ classic! ready to spew!

NOT M*A*S*H XXX ⚡⚡⚡⚡⚡ (X-Play/All Play Media)

Starring: Krissy Lynn, Miko Sinz, Chanel Preston, Briana Blair, Bailey Books, Alexa Jaymes.

Director Will Ryder takes his porn parodies seriously. Each parody the studio develops is carefully researched; cast, and the storylines are always first rate. Yet they never forget they are making a porn movie, so the sex is always XXX hot, over-the-top, gonzo. *Not M*A*S*H XXX* is one of their best parodies to date. The sets and costumes are perfect and every nuance of the character down to the spirit of the original *M*A*S*H* series is captured. Krissy Lynn rocks as Hot Lips, and her shapely nursing staff will have you popping a rod and splitting your side. Miko Sinz sizzles as the Col's house girl. This may be the first time we wish we were nerdy Radar O'Reilly—the doctors are doing everything they can to help him lose his virginity. His wish cums true when sexy Chanel Preston drains his nut sac, letting him spray his goo over her tight, toned body. That's reason enough to head halfway around the world to serve your country. The girls of the 4077 have never looked hotter, and the Korean War never sexier! Another winner from your pals at X-Play!

ALL SUNNY ALL THE TIME ⚡⚡⚡⚡⚡ (Sunlist Pictures Inc.)

***Starring:* Sunny Leone, Sadie West, Isis Taylor, Monique Alexander, Capri Cavali, Kiara Diane, Sea J.**

Sunny Leone delivers a scorching, lesbo-heavy title from her new studio, one that will absolutely heat up those cold winter nights. Sunny returns to what she does best—burying her face in hot girl crotch. Sunny's in control in each scene, dominating her partners and delivering an awesome performance each time. No dialogue or set-up cluttering these scenes—the muff diving begins within seconds. Hell, Sunny even performs a tittilating striptease before the opening credits! Sunny towers over her young charge Sadie West, showing West the right way to eat ass and pussy. Capri Cavali is also no match for the more experienced Sunny. Capri soon finds herself on all fours with Sunny jamming toys up her tight cunt. In the DVD's only "story-based" vignette, patient Isis Taylor comes in for a breast examination. Dr. Sunny gives her a very through check-up that includes nipple tweaking, vaginal tasting, and anal probes. Isis must have awesome health insurance! Sunny Leone is at her best here. *All Sunny All The Time*? You bet! Grab your shades and soak it up!

SECRETARY'S DAY 4 (Smash Pictures)

Starring: Asa Akira, McKenzie Miiles, Darcy Tyler, Katie Kox, Andy San Dimas, Allie Haze.

Nothing sucks worse than a desk job, pushing papers around all day. But if you work hard and climb the corporate ladder maybe one day you can have a secretary push papers around your desk for you. Hopefully her ass will look as nice as the butts on display in Smash Pictures *Secretary's Day 4*. Smokin' stroker McKenzie Miles is in dire need of financial help, so she uses her tight, tasty bottom to help pay down her debt. Asa Akira is willing to go the extra mile to get her boyfriend's demo heard. She looks smoking and definitely makes the movie worth jerking off to. Darcy Tyler gets fucked while on the phone with her boyfriend just to spice things up. Katie Kox always rocks. Her scene alone makes this DVD worthwhile. But the closing scene, where Andy San Dimas turns the tables on the office lesbian, Allie Haze, is a blistering threeway. Great stuff from Jim Powers and Smash Pictures. All these girls definitely make us want to get to work . . . on them! This secretarial pool is filled with cum!

LOVE AND OTHER MISHAPS ⚡⚡⚡⚡ (Digital Playground)

Starring: Stoya, Sasha Grey, Nicole Ray.

After a year away, Stoya is back in fine ass form playing a two-timing girlfriend who seeks satisfaction beyond her man's meat. Stoya is a lady who gets what she wants from whoever she wants, even if it means doing it in front of her boyfriend Mick Blue. Stoya appears in three amazing scenes, with Sasha Grey and Nicole Ray providing excellent support performances. Stoya gets fucked hard right from the get go by Mick Blue. Both know Stoya won't ever be faithful to him but Mick gives her a solid pussy reaming that blows Stoya away. When Stoya's nemisis Sasha Grey comes by, you expect a hot catfight to erupt. Instead Sasha sneaks away for a quick-but-steamy boning session with her man. Stoya needs new dick, so she spreads for Mr. Pete, and then does the same for Christian, whom she takes back to her place, making poor Mick watch as she impales herself on Christian's cock. Well, maybe it's not so awful for Mick—he had a boner the whole time and so did we! Stoya is our new favorite bad girl!

HOCUS POCUS XXX ⚡⚡⚡ (Cezar Capone)

Starring: Eva Angelina, Sunny Leone, Audrey Hollander, Madelyn Marie, Kiara Diane, Nikki Benz, Amia Miley, McKenzee Miles, Krissy Lynn.

Why would anyone want to make a XXX parody of the 1993 stinkbomb, *Hocus Pocus,* starring Bette Midler, Sarah Jessica Parker and Kathy Najimy? The mere thought of that cast makes our dicks shrivel and our balls shrink to the size of raisins. Sarah Jessica Parker? Has a more unattractive woman ever been photographed? It's enough to make you want to watch—or even appear in—gay porn. Cezar Capone does his best to erase the horrible memories of SJP and the Divine Ms. M from your mind with *Hocus Pocus XXX,* starring A-list hotties Eva Angelina, Nikki Benz, and Audrey Hollander. The film begins with a lesbian orgy already in progress, featuring virtually every babe in the film. The action doesn't stop, with Madelyn Marie and Kiara Diane turning in scorching performances. Sunny Leone knows how to fuck and likes to show off her skills. Amia Miley is sexy spinner built for sin. Fast forward through the talkie parts and you've got six hot sex scenes. Still this movie loses a star for picking such shitty source material to parody. What's next, a parody of *Beaches* or *Steel Magnolias*? Fuck Sarah Jessica Parker. Bette Midler, too.

Jessica

Diggin' Doggy

Jessica

Jessica and Jack have only been dating a few weeks, but Jessica's fallen in love. Jack is kind, caring, attentive, handsome and draws a six-figure salary. Yeah, he's a keeper. But what can Jessica do to make Jack want to be with her? What special talents does she have? Well, Jessica *is* a professional adult film actress. She can suck Jack's johnson like no one else, licking and drooling on his dork like it's the world's tastiest lollipop. And she can ride his dick in an endless array of positions, coming on his hard tool again and again (okay, so not *all* of her orgasms are real, but Jack doesn't need to know). Jack seems to appreciate Jessica's skills, so much so that Jessica worries Jack is only in this relationship for the sex. Don't worry, Jess, we're sure he likes your cooking and the funny stories you tell, too. But you'd better keep sucking his dick anyway, just in case.

BEHIND THE SCENES

KICK ASS® PICTURES

Chica Boom 40®

Lusty Latinas Lick It Up & Slurp It Down

Photos courtesy of
Kick Ass Pictures
www.kickassdvd.com

What's hotter than a dolled-up, sexed-up Latina babe? The chicken wings down at Hooters? The Fire Border Sauce at Taco Bell? Forget it. Those dishes might make your tongue tingle, but they won't stimulate your cock and balls the way a real, live lusty Latina can.

Everybody knows Latina girls are hot and love to fuck. You see them rifling through the neon tube tops at K-Mart and you want to bend them over one of those blue light kiosks and fuck their cute little butts. But doing that will get you arrested or beaten by gang members. You need to work Latina babes the same way you work other women: with smooth talk and good manners. But you don't speak Spanish and you're a horny animal. What do you do?

Fortunately, you can rely on the *Chica Boom* series of videos to fulfill your need for Latina lust. For the last decade, Kick Ass has been putting out the *Chica Boom* series, packing each frame with sultry Latina ass. If you're *loco para chicas*, you can't go wrong with any of the *Chica Boom* videos, and *Chica Boom #40* is as good a place as any to start.

Chica Boom to

Right off the bat you've got Rebeca Linares (back when her boobs were all-natural and all-wonderful) prancing around in a plaid skirt and white bippy top. You know Rebeca doesn't fuck around when it comes it fucking. She's serious about sex, often demanding three or four orgasms just to get started.

Fortunately for Rebeca, she's teamed up with veteran cocksman Steven St. Croix. Saint Stephen has sunk his schlong into many hot babes over the years, but perhaps none as wanton and wicked as Rebeca. She rides is turgid dick until St. Croix looks like he might cry from pent-up sexual frustration. Instead of bursting into tears, St. Croix busts a nut over Rebeca's tight body—a far manlier and emotionally satisfying choice than weeping.

Lia Lopez is up next and she should feel honored: she's the only girl in *Chica Boom #40* who gets an actual bed to fuck in. Everybody else gets porked on chairs or couches. But young, pretty LiLo gets to spread out in king-sized comfort as she spreads for Sergio. He pounds her into the mattress so hard it's like he's trying to permanently nail her there, and finishes by painting her face with sperm and semen. Looks good on you, Lia!

The third scene features light-skinned Latina cocksucker, Bebe. She looks so young and innocent, like she just dropped out of high

school, but once her pink top and aqua-marine hot pants are stripped away, reveling ample C-cup titties and a juicy slice, she's a genuine nympho, jumping into Andrew Andretti's lap and bouncing to climax. Andretti handles Bebe's dangerous curves and wet surfaces with style, finishing the race with a massive cum deposit on Bebe's chin. Take a victory lap, guys!

Francesca Valentina also gets a couch to fuck on (and an ugly brown one, at that). She's also given Tony's Tedeschi's tool to ride. Although Tony looks long-haired and greasy, Ms. Valentina seems to enjoy the accommodations, squealing like a stuck pig when Tony sticks it to her like a pig. There's a beautiful stone fireplace in the scene too but it stays unlit. Tony and Francesca provide more than enough heat. In fact, this scene was so scorching, we felt compelled to strip completely naked during it and masturbate. You'll probably feel the same way.

Chica Boom #40 closes strong with Jersey girl Cassandra Cruz. There's nothing like a Latina babe with a dirty mouth, and Cassandra cusses like a sailor as she rides Brian Surewood's crunchy, Unabomber boner like the world's most uncomfortable hippity-hop. Well, it looks uncomfortable to us, but Cassandra seems to enjoy it, as she squeals and cum on his thick dick and takes a load of his hippy spunk on her face.

Like Latina babes fucking like there's no tomorrow? *Chica Boom* is definitely the place to find 'em. Go for it, amigo!

Sabrina & Paola

Sabrina Rose has lusted after Paola Rey for years, and for the last several weeks she's practically stalked her. But it worked—Sabrina has the sultry sex star right where she wants her: spread-eagle on her pretty pink sheets. "Eating your pussy is a dream come true," Sabrina says, dipping her tongue into Paola's wet crevice. "I loved your work in *Las detectivas y el Victor* and you're so beautiful in those Neutrogena ads." "Wait," Paola says as she straddles Sabrina's face. "You're thinking of mainstream Colombian actress Paola Rey. I'm adult film actress Paola Rey from Brazil." "Oh," Sabrina says as Paola floods her face with girl goo. Oops. Don't worry, Sabrina, this Paola seems like she's a lot more fun...
